The airport is located less than five minutes west of I-465 off I-70 via Exit 68. It is 16 minutes from downtown Indianapolis.

Follow the signs for rental car return, Economy Parking, Long-Term Parking, Parking Garage, passenger arrivals, and departures.

Take the upper level roadway to the Departures Level when dropping-off departing passengers. Drivers can pull up to the curb to drop passengers at one of 16 airline curbside check-in stations.

Take the lower level roadway to the Arrivals Level for passenger pick-up. Drivers can pull to the curb outside baggage claim exits to help passengers load luggage and bags.
Parking is a breeze at IND! No need to worry about finding a parking space or taking a "park-ride-and-fly" shuttle bus. Our express parking facilities help you park, check in, and board your flight with maximum ease and convenience.

The airport’s parking facilities have tripled in size, with the Economy Parking (7,950 spaces), Long-Term Parking (4,400 spaces), and Parking Garage (5,900 spaces) providing space for about 18,000 vehicles.

Park and wait for free in the Cell Phone Lot until passengers have landed and claimed their baggage. The lot contains 49 first-come, first-served spaces. The garage and terminal are connected via an enclosed pedestrian bridge which leads to the ticketing hall.

Renting a car at IND is quick and convenient! Eight rental car facilities are a quick walk from the terminal on the first floor of the garage.

All parking lots and garage exits accept credit card payments. Those who prefer to pay with cash can use one of six cashier booths and/or one of 16 pay-on-foot stations (garage only).
