In the search for solutions, the customers’ needs come first.

Success in the third generation

Endress+Hauser was founded in 1953 by Swiss engineer Georg H. Endress and German banker Ludwig Hauser. The Endress family, the sole shareholder since 1975, plays an influential role in the company’s development to this day. Now in the third generation, it has a stated objective: Endress+Hauser shall remain a successful family company.

As a family-owned company we act responsibly. We treat our customers, employees and shareholders as partners. Internal and external cooperation is influenced by a strong corporate culture set down in the Spirit of Endress+Hauser. This culture helps us attract and establish long-term bonds with the best employees around the world.

Sustainable development

For us, profit is not the ultimate aim, but the result of good management. We place a high value on being financially solid. The bulk of our earnings is reinvested in the company to ensure our continued success and independence.
